Dear Sir,

We wish to draw your attention to the problems being faced by bank employees and officers for the past more than a month now after the implementation of the demonetisation scheme. While we have extended our maximum co-operation, we find that the problems continue and are becoming unbearable.

In this background we seek your immediate intervention to redress the following demands

- **Ensure supply of adequate cash to all Banks and Branches**
- **Restore all ATMs without further delay**
- **Stop favouritism in supply of cash to Banks**
- **Ensure transparency in supply of cash to Banks**
- **If RBI is not able to supply adequate cash to Banks, then decision should be taken to suspend cash transactions in the bank branches till sufficient cash is supplied to Banks.**
- **Announce CBI Enquiry on instances of huge new currency notes with some big persons when branches are starved of cash**
- **Compensation to family of general public, bank customers and bank staff who lost their lives recently due to demonetisation episode**
- **Ensure safety and protection of bank employees and officers by maintaining law and order in all bank branches to prevent harassment of bank staff.**
- **Proper compensation to employees and officers for their extra work/late sitting done in the last more than a month.**

We hope that the Government would mitigate our problems immediately.

Yours faithfully,

General Secretary
