CIRCULAR TO ALL UNITS

April, 29th 2017

Dear Comrades,

Massive Morcha to Parliament on 15th September, 2017
By 50,000 members of AIBEA and AIBOA

Our units and members are aware that it was decided in our recent Conferences held at Hyderabad and Chennai to continue and intensify our struggles against the increasing attacks and challenges in the form of banking reforms. The challenges are all well-known to all of us and day by day, the Government is trying to speed up their agenda. Government is refusing to adequate capital to the Banks, and even if it is to be given, all types of conditionalities are being insisted upon.

Few days ago, RBI Governor Urjit Patel has spoken in a meeting that merger is the only solution for the stresses of the Banks. Again, RBI Dy. Governor Viral Acharya has said that some of the nationalised Banks have to be re-privatised. But they have no time to talk about stringent measures to recover the huge bad loans contributed by the corporate defaulters.

Looters of public money and those responsible for huge bad loans in the banks are given concessions but ordinary bank customers are levied heavy service charges and penalties. Private sector which is the main contributor of the massive bad loans in the Banks are given banking licenses.

It is quite obvious that there would be more and more attacks on public sector banking. In the 28th February, All India Strike we highlighted these issues and problems. In order to continue our struggles, create more awareness amongst the people, to enlist further support to our demands and to focus public attention, we are now launching a national campaign programme to be observed by our units all over the country which will culminate in a massive Morcha to Parliament on 15th September, 2017 (Friday) at Delhi when our Memorandum will be submitted to the Prime Minister.

Since the booking of tickets can be done 4 months prior, we are advising all our units to move from now on to make it a massive protest programme.

With greetings,

Yours comradely,
