CIRCULAR NO. 48/2015/CO

Dated: 24.04.2015

TO ALL THE MEMBERS

Dear Comrades,

COM. TARAK DA. AMAR RAHEN

As all of you are aware that we lost our most beloved leader and guide Com. Tarakeshwar Chakraborti i.e. on 02 May, 2003, who fought to protect and preserve the expansion of public sector banking in National interest and for equitable and all round development of country's economy and its growth. Com. Tarak Da tirelessly fought for the cause of the Bank employees to protect their rights, for betterment of service conditions and wages and to protect their jobs and job security. After the passing away of Com. Parvana and Com. Prabhat Kar, Tarakda took the reigns of the organisation and with great vision and passion he led the movement to greater heights. He was able to envision to emerging challenges and worked for the broad unity of the Bank employees to repulse the attacks. If the concept of Local Area Private Banks has been given up, it was because of the powerful united struggles built up by him. If the Bank privatization Bill introduced in the Parliament by the BJP Government stands defeated, it is because of his ceaseless efforts and bold endeavours. If pension is available to Bank Employees, it is because of strong vision and efforts of Com. Tarakda. It was his vision that the growing N.P.A in the banks is very dangerous for the Banking Industry. He was of the firm opinion that the Govt. should take the tough stand for the recovery of N.P.A and will full defaulters should be declared as criminal offence. After a long struggle now the Govt. has also started to feel which was felt by him long long ago. He was of the firm conviction that the present serious attacks can be fought back only with greater unity and prolonged struggles. Let us pay our respectful homage to him by resolving to strengthen AIBEA and UFBU and continue our struggles.

With Greetings,

Yours Comradely,

(Anil Kumar Srivastava)
General Secretary
